DETAILED ACTION

Election/Restrictions

1. Non-elected claim 11 is pending, but has been withdrawn from consideration. Applicant must cancel the non-elected claim or take other appropriate action (37 CFR 1.144). The prosecution of this case is closed except for consideration of the above matter.

Drawings

2. The proposed drawing corrections were received on April 28, 2004. These proposed drawing corrections are acceptable.

3. In addition to the corrections noted above, a further correction is required to Fig. 12. Reference numeral 36 points to 2nd side 31, not to a gap.

4. New corrected drawings are required in this application because the changes proposed on April 28, 2004 have not been implemented yet, and a further correction is required as noted above. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected formal drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

Allowable Subject Matter

5. Claims 1-4, 8-10 and 12-18 are allowed.

Conclusion

6. This application is in condition for allowance except for the following formal matters:

Non-elected claim 11 is pending.

Corrected formal drawings are required.
